

Chairman AERB Inaugurated Radiation Safety Awareness Campaign of Indian Radiology and Imaging Association (IRIA)

AERB team meeting IRIA office bearers

Shri S. A. Bharadwaj, Chairman AERB inaugurated the Radiation Safety Awareness campaign launched by the Indian Radiological and Imagine Association (IRIA) on 27th January 2018 during the 17th Asian Oceanian Congress of Radiology and the 71st Annual Conference of the Indian Radiology and Imaging Association (IRIA) held at Renaissance Mumbai Convention Centre Hotel, Powai, Mumbai.

Dr. Mohanan Kunnunmal, President IRIA informed that, IRIA in its awareness campaign will identify Radiation Safety coordinator from each of its state chapter to spread awareness on radiation safety. They will coordinate with AERB in enhancing reporting mechanism and management of adverse events in radiology. Dr. A. U. Sonawane, Head Directorate of Regulatory Affairs & Communications, AERB informed about incidents involving injuries due to radiation during interventional radiology procedures and emphasised need for awareness on radiation protection among radiological medical practitioners.

Speaking on the occasion, Chairman AERB urged to the members of IRIA to follow regulatory & safety norms of AERB so that radiation doses received by the professional are well within limits set by AERB.
