

List of survey meter/dosimeter suppliers

Step-1: Visit AERB web page i.e. www.aerb.gov.in

Step-2: Go the below option i.e. **Personnel Monitoring Service Providers (Thermo luminescence Dosimeter Providers)**

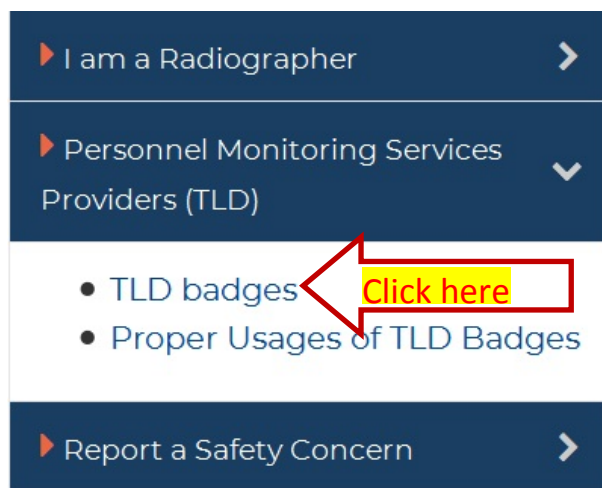

The screenshot shows the AERB website's main navigation menu. The menu items are:

- e-Licensing of Radiation Applications (eLORA)
- I am an Applicant
- I am a Radiological Medical Practitioner
- I am a Patient
- I am a Supplier/Manufacturer
- I am a Radiographer
- Personnel Monitoring Services Providers (TLD)** (highlighted with a red arrow and a yellow box containing the text "Click here")
- Report a Safety Concern
- What to do in an Emergency
- Contact for Nuclear or Radiological Emergency in Public Domain

The "Latest News" section shows several articles, including one from May 11, 2019, about the inauguration of an exhibition on Nuclear Reactor Technology.

The "Recruitment Status of Advt. No. : AERB/01/2018" section lists various categories such as Nuclear Facilities, Radiation Facilities, Nuclear Fuel Cycle Facilities, Public Awareness, International Cooperation, and Knowledge Corner.

Step-3: Click on TLD Badges, you will find the PDF file which contains the List of Thermo Luminescent Dosimeter Suppliers along with address and contact details.

The screenshot shows the expanded menu for "Personnel Monitoring Services Providers (TLD)". The menu items are:

- I am a Radiographer
- Personnel Monitoring Services Providers (TLD)** (expanded)
- TLD badges (highlighted with a red arrow and a yellow box containing the text "Click here")
- Proper Usages of TLD Badges
- Report a Safety Concern
