

33rd DAE Safety & Occupational Health Professionals Meet held at Gandhinagar during November 23 to 25, 2016

The 33rd DAE Safety & Occupational Health Professionals Meet was jointly organised by AERB, Mumbai and Institute for Plasma Research (IPR), Gandhinagar during November 23 to 25, 2016 at Gandhinagar. The theme for this three day Meet was ‘Safety in High Power and High Energy Advanced Technologies’ for Industrial Safety and ‘Clinical Applications of Lasers’ for Occupational Health Safety. About 300 delegates from various DAE units and DAE aided institutes participated in this Meet. A monograph on ‘Safety in High Power and High Energy Advanced Technologies and Medical applications of Lasers’ was released during the Meet. The AERB Industrial Safety Award and Fire Safety Award for the year 2015 were presented to the winners of DAE units by Chairman, AERB. A technical exhibition on industrial and fire safety appliances, public awareness and safety and regulatory aspects was organised during the Meet for the benefit of the participants and to encourage the interaction between industries and DAE units.
