

Radiation Safety Certification for Regularization of Radiation Therapy Technologists 2014 (RS-RTT-2014)

This has reference to application received till 31st December 2013 by AERB against the circular (AERB/RSD/RT/RT-Tech-Qualification/2012/500 dated 11 January, 2012) and directive issued by Head, RSD, AERB on 17 July 2012 to attend the Safety Certification Program for regularization of radiotherapy technologist, whose qualification is not in line with AERB requirements. Based on the details provided by the candidates in the application form, they have been allocated a nearby training centre for undergoing the RS-RTT course 2014 which is being organized by RP&AD, BARC in collaboration with the centre concerned.

Details of training centre, duration, and centre coordinator along with the list of the candidates are mentioned below. **Candidates are requested to contact the respective course coordinator for further information.**

General Information:

1. Candidates are requested to confirm their participation to the concerned centre coordinator at the earliest possible but not later than **January 22, 2014**.
2. A candidate has to bring the requisite original certificates (**10+2 in science, professional qualification certificate and experience certificates**) for verification prior to joining the training program.
3. Each candidate has to fill up a declaration cum verification form (Annexure-1) prior to joining the course. The course coordinator of the centre concerned will verify and authenticate the original certificates (10+2 in science, professional qualification certificate and experience certificates issued by the institutions) of the participants prior to inducting them for above said program. **One set of duly attested copies of the above mentioned certificates has to be submitted along with the declaration cum verification form.**
4. **In case a candidate is unable to show the above mentioned original certificates, he /she will not be permitted to attend the course.**
5. **Candidates are requested to download the declaration cum verification form enclosed herewith and fill the desired information in advance to avoid unwanted delay.**
6. Course conducting institutions will not provide any TA/DA and accommodation during the training program. Candidates have to make their own arrangement for attending the above mentioned training program. However, centre coordinator may be requested for getting some help in arranging accommodation.
7. Allotted Training centre will not be changed in normal circumstances. However, in case of genuine reasons, the request for the change of training centre may be considered. In this regard, you may contact

Dr. S. D. Sharma
Scientific Officer (F),
Radiological Physics & Advisory Division, BARC
CT&CRS Building, Anushaktinagar, Mumbai - 400094,
Phone: 022-25598713
Email: sdsbarc@gmail.com/ sdsharma@barc.gov.in

Note 1: *Candidates who have already successfully completed the BARC Safety Certification programme for radiotherapy technologists are considered qualified radiotherapy technologists and are not required to attend this training programme.*

Note 2: *Candidates with basic qualification of 10+2 (Science) and having 5 years of working experience as radiotherapy technologist as on December 31, 2010 are considered as qualified radiotherapy technologists and are not required to attend this training programme.*

Note 3: *Provisional list of candidates who will be eligible for regularization through radiation safety certification program in the year **2015** and **2016** will be intimated in due course of time.*

Declaration cum Verification Form

Annexure-1

1. Name of the candidate:
2. Father's Name:
3. Date of Birth:
4. TLD Badge Number:
5. Total working experience as radiotherapy technologist on or before **31/12/2013** including previous job:
2. Mobile Number :
3. E:Mail:
1. Name & address of the institution, where presently employed:

2. Details of qualification and experience:

(Please attach attested copies of basic, professional and experience certificates)

A. Academic and professional qualification

Sr. No.	Educational qualification /Experience	Board/University
1.	10 th	
1.	10+2(Science)	
2.	B.Sc./ M.Sc.	
3.	Professional Course (e.g. DRT/DMRT/PGDRT/ADRT/BMRT/BMXRT etc.)	

B. Experience as on or before December 31, 2013

Sr. No.	Name of the institution where candidate has worked/working	Duration of work (Months/Years)

3. Any Other Information

4. Declaration:

“This is to state that all the information, certificates (academic, professional, experience) submitted by me and details given above to attend the safety certification program for the radiotherapy technologists are true to the best of my belief and knowledge. If any information provided by me is found to be non-genuine at any point of time, I understand that safety certificate issued to me will be revoked and I shall not be able to work as a radiotherapy technologist in the country”.

Date: _____ Signature _____ :
Place: _____ Name of the candidate _____ :
Name of the Father/Husband: _____
