No. AERB/SEC/66A/2012/

February 23, 2012

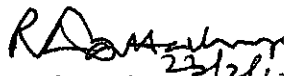

**Exhibition and Awareness program on
“Atomic Energy – A Key to meet Energy Challenge (AWAKE-2012) at Sathyabama University
Continuing AERB’s initiative on Public Awareness**

An awareness program and exhibition (AWAKE-2012) was held on February 21st 2012 at Sathyabama University, Chennai, for students from various universities & colleges in and around Chennai. AERB displayed its exhibits on safety and regulatory aspects of Nuclear and Radiation facilities. The exhibits consisted of AERB’s role in ensuring safety by way of issuance of consents, multi-review process and regulatory inspections. The AERB safety documents were displayed for the students to get a glimpse of the technical aspects of Regulation. The exhibits also aimed at giving a correct perspective on doses vis-à-vis doses received by way of medical diagnostics and natural background and the actual public dose received due to radioactive discharges from Nuclear Power Plants.

The students were also made aware of the various uses of radioactive sources such as in the areas of Medicine, Industry, Agriculture and Research.

The response to the AERB’s exhibit at the University was very encouraging with more than 100 students visiting the stall and getting an understanding of the role of AERB. Positive feedback on the exhibits and information provided were received from them.

The AERB exhibition stall at Sathyabama University was managed by Shri S.T.Swamy, Shri G.M.Behera and Smt. Anuradha V, Scientific Officers of AERB.
