**Sub:** Notification for submission of application(s) through e-LORA system of AERB for obtaining regulatory clearances pertaining to Transport & Waste Disposal

Dear Sir / Madam,

It is our great pleasure to intimate you that AERB has extended its web-based system, named "e-LORA" (e-Licensing of Radiation Applications) for transport, export and disposal processes. The e-LORA system will facilitate fast and transparent regulatory services to the stakeholders of AERB.

Accordingly approvals for transport, export and disposal will be issued through e-LORA hereafter. The GUIDELINES for submission of applications through e-LORA for obtaining regulatory clearances are available on our website; www.aerb.gov.in.

In view of the above, you are hereby informed that henceforth applications for obtaining transport and disposal approvals shall be submitted only through e-LORA system. Kindly note that no hard copy of any applications will be considered by this Division **after 28-02-2015** and this Division will not be responsible for any delay in issuance of regulatory clearances, if applications submitted manually. All the concerned radiation facilities are therefore requested to comply with the above.

In case you need any further guidance, please contact Smt. Manju Saini (022-25990658, manjusaini@aerb.gov.in) / Shri Mahesh.M (022-25990673, mahesh@aerb.gov.in), RSD, AERB.

With regards,

  
(Avinash U Sonawane)
