

**A delegation from Ghana Atomic Energy Commission visited AERB on January 28, 2019.**

A delegation from Ghana Atomic Energy commission (GAEC) consisting of Prof B.J.B. Nyarko, Director General, GAEC and Dr. Nii Kwashie Allotey, Director, GAEC, visited Atomic Energy Regulatory Board (AERB) on January 28, 2019. Mr. D. K. Shukla, Executive Director, AERB welcomed the delegation and held discussions with them in presence of senior AERB officials and expert from DAE. The discussions primarily focused on the Indian nuclear regulatory infrastructure and AERB's regulatory oversight for nuclear and radiation facilities. At the end, Mr. G. Nageswara Rao, Chairman AERB, also joined in the discussion and thanked the delegation for their visit to AERB.
