

**AERB participates in the Awareness programmes near KAPS premises at Surat
P.T. College of Science.**

In continuation to AERB's endeavour in conducting public outreach programmes in the vicinity of NPPs, AERB participated in the outreach programme for Nuclear Physics students of P.T. College of Science in Surat on 29/01/2025. The programme, with lecture series was initiated by KAPS Public Awareness Division. The lectures included talks from NPCIL, BARC and AERB officials.

A short video on AERB was screened. The bilingual (English and Gujarati) programme was attended by about 50 participants which included undergraduate students of nuclear physics and the teaching faculty of the college.
