

Obituary

It is with profound sadness we learnt of the passing away of Dr. S.M. Lee.

After superannuation on February 29, 2004 as Director, SHINE Group, IGCAR, Dr. Lee has been Raja Ramanna Fellow at SRI, Kalpakkam. Under Dr. Lee's guidance, reactor physics analysis group in AERB was established and he contributed in the independent regulatory review capabilities of AERB for the light water reactors.

Dr. S M Lee had been Chairman of Project Design Safety Committee for KGS-3&4 and RAPP-5&6 from 2001 to 2011. He also served as Chairman of Site Evaluation Committee for Kudankulam reactors units 3-6. Dr. Lee was Chairman of various promotion interview committee of AERB. He has also served as Chairman, ACPSR PHWR/PFBR from 2010-2013. In these capacities, the contributions of Dr. Lee, to safety review of Nuclear Power/Facility projects had been noteworthy.

AERBites offer deep condolences to the bereaved family and pray to the Almighty God to give them the strength to bear this irrevocable loss.

May his Soul Rest in Peace.
