

Chairman, AERB graces AMD's 73rd Annual Day Programme

Shri D.K.Sinha, Director AMD greeting Shri G.Nageswara Rao, Chairman, AERB

Atomic Minerals Directorate for Exploration and Research (AMD), one of the pioneer units of Department of Energy, celebrated its 73rd foundation day programme at Hyderabad on July 29, 2022. Shri G. Nageswara Rao, Chairman, Atomic Energy Regulatory Board graced the occasion as Chief Guest and addressed the august gathering.

He made a lucid presentation on "Indigenous Nuclear Capabilities". In his speech, he acknowledged the efforts taken in attaining self-reliance in the entire nuclear energy supply chain and highlighted the role played by AERB in ensuring safety in the use of nuclear and radiation technologies. As Azadi Ka Amrit Mahotsav is being celebrated all across the country with great vigour and enthusiasm India, Chairman, AERB emphasised on how these technologies are serving as 'AMRIT' for making India self reliant for achieving long term energy security.

Chairman, AERB addressing the gathering
