

AERB hosted a Theme Meeting on “Regulatory Inspection Process” on February 21, 2019

AERB hosted a Theme Meeting on “Regulatory Inspection Process” on February 21, 2019 at its Headquarters in Mumbai. The objective of the meeting was to share experiences and obtain feedback on the process of regulatory inspection of nuclear & radiation facilities. Representatives of all the Licensees of nuclear facilities, and a few radiation facilities were invited to the meeting. Around 100 delegates from various units of the Department of Atomic Energy (DAE) including NPCIL, BHAVINI, IGCAR, UCIL, NFC, HWB, IREL, BRIT, RRCAT, RMC-BARC and hospitals including Tata Memorial Hospital, ACTREC, Apollo Hospitals, Kokilaben Dhirubhai Ambani Hospital participated in this meeting.

During the meeting, the changes made in the regulatory inspection process of AERB, such as frequency of inspections, reporting of inspection findings, and assignment of safety significance to the inspection findings were deliberated. The delegates in general, appreciated the present regulatory inspection process of AERB, and made certain suggestions for further improvement. These suggestions were discussed during the panel discussions for further actions at AERB.

Shri D.K. Shukla, Executive Director, AERB addressing the Delegates of the Theme Meeting
